
Countdown to Camp Ramah in Wisconsin 2026: How will my child stay healthy at camp?

Shalom Ramah Wisconsin Families,

Your child's health and safety is our #1 priority! Learn more about the ways we work to keep everyone healthy as well as the steps you can take now to ensure a successful transition to camp.

Complete Your Health Forms Today!

Please complete the following health forms and upload documents to your [CampMinder account](#) or the [Campanion App](#) by March 31. **Remember, forms that are not submitted by March 31 will incur a \$100 fee per family.**

- Physical - This form should be filled out by your child's physician and then uploaded to CampMinder. You may download and print a blank form in CampMinder or use your state's standard health form. The physical examination should be performed within 18 months prior to the last day the camper will be in camp (i.e. if your child is in camp through 8/6/26, the physical exam can be performed after 2/6/25).
- Immunizations - Upload your child's immunization record.
- Health Insurance Card - Upload both the FRONT and BACK of your insurance card.
- Health History- Filled out by the parent/guardian online.

Campers will not be allowed to arrive at camp if their health forms are not on file.

Register Your Medication with PackMyRx!

If your child will be taking any medications at camp you must sign up for [PackMyRX](#).

If your child will be taking any kind of medication at camp this summer, **you must register with PackMyRX**, our pre-packaged medication program. [Click here for more details](#) about our partnership with PackMyRX. This system ensures that each camper receives their correct medicine at the right time of day.

Camp Ramah in Wisconsin will be covering the registration fee for PackMyRX for all families, so you will only be responsible for the deposit and cost of medications.

Note: Some medications cannot be filled by PackMyRX. [Click here for our medication guide](#) with detailed instructions on how/where to send all your child's medications.

Questions about medications?

Please contact Pack My Rx at 888-598-MEDS for the following:

- If you are not sure if PackMyRx can fill a particular medication
- If you are not sure if PackMyRx will take your insurance
- If you want to understand how much the medication will cost
- If you need support working with your doctor on a "vacation override" for controlled substances
- If you are not sure how to manage the medication process

Our Amazing Medical Staff

Led by Head Nurse Rachel Schmidt, the infirmary (also known as the Marp) is staffed by multiple board-certified, practicing physicians and licensed nurses (many of whom are camper parents or alumni!) who love working with your campers. The doctors and nurses staff the daily sick-call and treat campers for illness and minor injuries. In addition to our on-site network of medical professionals, our medical staff is in contact with a network of local specialists. If you would like to be in touch with our Head Nurse, please email nurse@ramahwisconsin.com.

Vaccination Policy

The routine vaccination of all campers is an important public health matter, especially in the confines of a residential summer camp. As stated by the National Ramah Commission Medical Committee, the requirement of all members of the Camp Ramah community is to be adequately immunized against preventable childhood diseases as recommended by the American Academy of Pediatrics and the Advisory Committee on Immunization Practices; therefore, it is Camp Ramah policy that age-appropriate compliance of vaccination is enforced, and to exclude individuals from camp who are out of compliance. This is a public health policy that Camp Ramah must endorse.

Further details about all of our medical policies are available in our [Parent Handbook](#). If you have specific medical questions, please be in touch with Director of Operations Robin Anderson at randerson@ramahwisconsin.com.

If you have other questions, [our team](#) remains available and accessible to you. You may also [schedule a one-on-one conversation with a staff member here](#). Thank you for your continued partnership!

Additional Reminders

**ALL FORMS DUE
MARCH 31!**

Login to your [CampMinder account](#) or download the [Campanion App](#).

**Download the
[Campanion App](#)**

Use your regular CampMinder credentials to log in. You'll be able to complete all your forms right in the app!

**Check out the
[Family Dashboard](#)
for all you need to
know about getting
ready for camp!**
