

Dear Ramah family,

At Camp Ramah in Wisconsin we value the collaborative relationships we have with our camper families. Our year-round team, along with our summer staff, work hard to create a successful camp experience for each camper - and that work happens in the months leading up to the start of camp.

As we prepare for the summer, we ask that you complete the **Camper Care Intake Form** and the **Family Contact Form**, now available in the Forms section of your [CampMinder account](#) or in your [Campanion app](#). Our approach to camper care entails looking at each child holistically, and learning about the specific strengths, challenges, and needs of every individual camper. These forms invite you to share information about your child related to the following topics:

- Previous camp experience
- Family circumstances
- Mental & developmental health
- School experience
- Social and emotional well-being
- Self-care, hygiene and health
- Sleep
- Communication

We ask that you complete all forms **no later than March 31st (forms received after this date will incur a \$100 fee per family)**. This gives our Camper Care Team time to process the forms prior to the summer, and partner with you to provide the proper support necessary for your children.

We are committed to using this information in the most sensitive and confidential ways to set your child up for optimal success at camp. Thank you in advance for your partnership in helping us provide a much-needed summer of fun, activities and friendship!

The All About Me Form

The All About Me form is your **camper's chance to tell us all about themselves!** It's an opportunity for our team to hear about your camper in their own words. Please download the form from your [CampMinder account](#), have your child complete it, and then either scan or take a photo of the completed form to upload back to your account. If the child needs assistance writing, please write in their own words.

THIS FORM SHOULD BE FILLED OUT BY THE CAMPER.
An extra page is included at the end if more space is needed.
(If the camper needs support, please write the camper's answers in their own words.)
